RECORD OF PLEA

DON NEWBERRY, Court Clerk
STATE OF OKLA. TULSA COUNTY

I am the defendant in this case and I have signed my name at the end of this statement. I have received and read a copy of the written charge against me which my lawyer now has. My lawyer and I have talked about this charge. I have told my lawyer what I did and what I know about the crime I am accused of. My lawyer has told me what he has learned about the witnesses and evidence against me. I have talked to my lawyer as much as I want to and we both agree it would be best that I plead Guilty to the charge of Poss of CD (man), Poss of Para, Transporting loaded F/A, NO INS.

I believe that the witnesses and evidence against me can prove this charge and establish facts to support my plea.

My lawyer has told me what the minimum and maximum punishment is for this crime and has also told me the District Attorney recommends that the court give me the following sentence:

Ct. 1 (Poss of CD) 1 yr. det. DAS, \$300/150/30

Ct. 2 (Poss of Para) \$50 CF

Ct. 3 (Transporting F/A) \$300/150, forfeiture of weapon

(D.A.'S INITIALS)

I understand the court does not have to follow this recommendation. I understand I can appeal any sentence the court gives me on this plea by filing a notice of appeal within 10 days. *All Cts. to run CC*

I know that by pleading to this charge I give up my right to have a fair, speedy and public trial and all the other rights that go with a trial. I now give up my rights and plead by signing this Record of Plea. I also understand I waive any motions or defects in the proceedings to date.

I want the court's record to show that my lawyer has explained to me my rights and that I understand my rights. I know that the purpose of a trial is to decide whether I am guilty or innocent of the crime I am accused of. I know that I have the right to choose whether I want a jury of 6 citizens to hear my case and make this decision, or to have a judge without a jury hear my case and make this decision. I know that I do not have to prove either to the judge or the jury that I am innocent, because the law gives me the right to remain silent and the law presumes I am innocent. I also know the District Attorney must prove that I am guilty beyond a reasonable doubt. I know that before I can be found guilty at trial, the witness against me must appear in court and testify under oath before the judge and the jury. I also know I can be in court at all times during the trial, that my lawyer can be there with me, and that my lawyer and I can participate in selecting the jury. I know my lawyer and I can see and hear the witnesses and evidence against me, that we can object to certain evidence, and cross examine the witnesses against me. I know I can call witnesses who can testify for me and the court will order witnesses to attend court on my behalf. I also know that if I want to give up the right to remain silent I can tell the judge and the jury my side of this case, and that myself and my lawyer can make arguments to the judge and the jury. I understand all jurors must agree I am guilty beyond a reasonable doubt before I can be found guilty.

I fully understand these rights and I make a free choice at this time to give up these rights and plead. I was not promised anything, or threatened or forced against my will to give up these rights and plead. I am fully competent and am not under the influence of any drugs, medication or alcohol.

ORDER RE APPLICATION TO ACCELERATE JUDGMENT AND SENTENCE

NOW on this 27 day of Nov, 2018, the State of Oklahoma, by and through STEPHEN A. KUNZWEILER, the District Attorney of Tulsa County, appeared before me, the undersigned Judge of the District Court, and presented its Application to Accelerate Judgement and Sentence alleging that the defendant, **ANDREW D BRAME**, violated the rules and conditions of probation imposed upon him under the terms of the deferred sentence entered in the above entitled and numbered cause(s), and requested that said sentence be accelerated, that a bench warrant be issued for the defendant's apprehension, that a detention hearing be ordered set upon the defendant's apprehension, and that subpoenas be issued for the attendance of witnesses at said hearing.

The Court, having examined the State's Application to Accelerate Judgement and Sentence and the allegations set forth therein, and being fully advised in the premises, finds that good cause has been shown for the issuance of a bench warrant for the defendant's apprehension, that a detention hearing should be set upon the defendant's apprehension, and that subpoenas should be issued on behalf of the State and the defendant for the attendance of witnesses at said detention hearing.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that a bench warrant be issued for the apprehension of the above-named defendant, **ANDREW D BRAME**, that a detention hearing be set upon the defendant's apprehension, and that subpoenas be issued on behalf of the State and the defendant for witnesses to attend and testify on the date set for the detention hearing.

MOTION TO REVOKE BOND

COMES NOW, the State of Oklahoma, by and through Assistant District Attorney, Tara K. Jack, and moves this honorable court to revoke the bond in the above-styled case, or in the alternative increase bond. Grounds for this motion are as follows:

- 1) On November 5th, 2018, Mr. Andrew Brame ("the Defendant") entered a plea of Guilty to the charges of Unlawful Possession of Controlled Drug; Unlawful possession of Drug Paraphernalia; Transporting loaded firearm in motor vehicle; and Failure to carry insurance/security verification form.
- 2) On this November 5th, 2018, Judge April Seibert, Judge of the District Court of Tulsa County, accepted the Defendant's plea of Guilty and withheld a finding of guilt and DEFERRED SENTENCING for a term of ONE (1) YEAR.
- 3) Subsequently, the Defendant was released from custody and placed under the supervision of the District Attorney's Office, Probation Division, as subject to certain rules and conditions.
- 4) On or about November 23rd, 2018 in Tulsa County, State of Oklahoma and within the jurisdiction of this court, the Defendant allegedly committed the misdemeanor crime of Assault and Battery on Jennice Atkins ("the Victim"), by unlawfully,

willfully, and wrongfully battering the Victim as alleged in Tulsa Municipal Incident Report # 2018071616.

- 5) On November 28th, 2018, the State of Oklahoma filed an Application to Accelerate alleging that the Defendant has violated the rules and conditions of his deferred sentence in that:
 - a. *Rule #9: I will not violate city, state or federal laws and will notify the Supervising Authority within forty-eight (48) hours of any arrest or contact with law enforcement.*
- 6) On or about November 29th, 2018 the Defendant was arrested on a warrant for an outstanding Application to Accelerate on CM-2018-2892.
- 7) Upon Arrest, when the Defendant was searched incident to arrest a partial smoking device and a baggy of crystal like substance appearing to be Methamphetamines was found in the Defendant's front left pocket.
- 8) The Defendant was taken into custody on new charges involving Possession of Controlled Drug (CM-2018-5761).
- 9) Upon testing by detectives using a 923 Regent Test Kit, the substance was determined to be positively Methamphetamines, weighing 1.6 grams.
- 10) Further, the Judge Owen Evans requested a Drug Test to be administered upon the Defendant on December 28th, 2018 in the matter of FD-2017-744. The test was not able to be performed due to an insufficient amount of finger/toenails and the Defendant was recommended to return in two (2) weeks. (See State's Exhibit "1," attached hereto).
- 11) On January 14th, 2019 the Defendant was to undergo a Drug Test. However, the amount of finger/toenails was again insufficient to provide accurate test results

and Defendant was again asked to return in two (2) weeks. (See State's Exhibit "2," attached hereto).

12) On February 12th, 2019 Weaver Drug Testing Laboratory was able to collect nail sampled from the Defendant. (See State's Exhibit "3," attached hereto).

13) On February 15th, 2019 a report was generated (See State's Exhibit "#3"), attached hereto) regarding the Drug Test ordered by Judge Evans in FD-2017-744, showing POSITIVE test results for the Defendant in the Amphetamines category, including Methamphetamines.

The guidelines for setting amount of bail set forth in *Brill v. Gurich* are as follows:

- a. The seriousness of the crime charged against the defendant, the apparent likelihood of conviction and the extent of the punishment prescribed by the Legislature;
- b. The defendant's criminal record, if any, and previous record on bail, if any;
- c. Defendant's reputation and mental condition;
- d. The length of his residence in the community;
- e. His family ties and relationships;
- f. Defendant's employment status, record of employment and his financial condition;
- g. The identity of responsible members of the community who would vouch for the defendant's reliability;
- h. Any other factors indicating defendant's mode of life, or ties to the community or bearing on the risk of failure to appear. 1998 OK CR 49, ¶

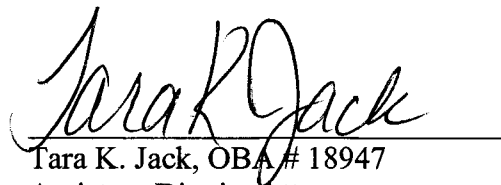

7, 965 P.2d 404, 406.

Article 2, Section 8 of the Oklahoma Constitution provides that **bail may be denied for violent offenses where “proof of guilt [is] evident, or the presumption...great, and it [the denial of bail] must be on the grounds that no condition of release would assure the safety of the community or any person.” *Id.***

The State of Oklahoma requests that the defendant’s bond be revoked significantly based upon the Defendant’s pattern of criminal behavior, including violent acts toward other people as well as continued use and possession of controlled substances while on bond and against the rules of probation.

WHEREFORE, the State respectfully requests that this Honorable Court grant the State’s request to revoke the Defendant’s bond and the Defendant be held without bond, or in the alternative to increase bond, and that his bond be set in the amount of \$75,000.00. The State makes this request in the interest of the safety of others and the Defendant himself.

Respectfully submitted,
