MOTION TO REVOKE BOND

ON NEWBERRY, Court Clerk
TULSA COUNTY

COMES NOW, the State of Oklahoma, by and through Assistant District

Attorney, Tara K. Jack, and moves this honorable court to revoke the bond in the above-styled case, or in the alternative increase bond. Grounds for this motion are as follows:

- 1) On November 5th, 2018, Mr. Andrew Brame (“the Defendant”) entered a plea of Guilty to the charges of Unlawful Possession of Controlled Drug; Unlawful possession of Drug Paraphernalia; Transporting loaded firearm in motor vehicle; and Failure to carry insurance/security verification form.
- 2) On this November 5th, 2018, Judge April Seibert, Judge of the District Court of Tulsa County, accepted the Defendant’s plea of Guilty and withheld a finding of guilt and DEFERRED SENTENCING for a term of ONE (1) YEAR.
- 3) Subsequently, the Defendant was released from custody and placed under the supervision of the District Attorney’s Office, Probation Division, as subject to certain rules and conditions.
- 4) On or about November 23rd, 2018 in Tulsa County, State of Oklahoma and within the jurisdiction of this court, the Defendant allegedly committed the misdemeanor crime of Assault and Battery on Jennice Atkins (“the Victim”), by unlawfully,

willfully, and wrongfully battering the Victim as alleged in Tulsa Municipal Incident Report # 2018071616.

- 5) On November 28th, 2018, the State of Oklahoma filed an Application to Accelerate alleging that the Defendant has violated the rules and conditions of his deferred sentence in that:
 - a. *Rule #9: I will not violate city, state or federal laws and will notify the Supervising Authority within forty-eight (48) hours of any arrest or contact with law enforcement.*
- 6) On or about November 29th, 2018 the Defendant was arrested on a warrant for an outstanding Application to Accelerate on CM-2018-2892.
- 7) Upon Arrest, when the Defendant was searched incident to arrest a partial smoking device and a baggy of crystal like substance appearing to be Methamphetamines was found in the Defendant's front left pocket.
- 8) The Defendant was taken into custody on new charges involving Possession of Controlled Drug (CM-2018-5761).
- 9) Upon testing by detectives using a 923 Regent Test Kit, the substance was determined to be positively Methamphetamines, weighing 1.6 grams.
- 10) Further, the Judge Owen Evans requested a Drug Test to be administered upon the Defendant on December 28th, 2018 in the matter of FD-2017-744. The test was not able to be performed due to an insufficient amount of finger/toenails and the Defendant was recommended to return in two (2) weeks. (See State's Exhibit "1," attached hereto).
- 11) On January 14th, 2019 the Defendant was to undergo a Drug Test. However, the amount of finger/toenails was again insufficient to provide accurate test results

and Defendant was again asked to return in two (2) weeks. (See State's Exhibit "2," attached hereto).

12) On February 12th, 2019 Weaver Drug Testing Laboratory was able to collect nail sampled from the Defendant. (See State's Exhibit "3," attached hereto).

13) On February 15th, 2019 a report was generated (See State's Exhibit "#3"), attached hereto) regarding the Drug Test ordered by Judge Evans in FD-2017-744, showing POSITIVE test results for the Defendant in the Amphetamines category, including Methamphetamines.

The guidelines for setting amount of bail set forth in *Brill v. Gurich* are as follows:

- a. The seriousness of the crime charged against the defendant, the apparent likelihood of conviction and the extent of the punishment prescribed by the Legislature;
- b. The defendant's criminal record, if any, and previous record on bail, if any;
- c. Defendant's reputation and mental condition;
- d. The length of his residence in the community;
- e. His family ties and relationships;
- f. Defendant's employment status, record of employment and his financial condition;
- g. The identity of responsible members of the community who would vouch for the defendant's reliability;
- h. Any other factors indicating defendant's mode of life, or ties to the community or bearing on the risk of failure to appear. 1998 OK CR 49, ¶

7, 965 P.2d 404, 406.

Article 2, Section 8 of the Oklahoma Constitution provides that **bail may be denied for violent offenses where “proof of guilt [is] evident, or the presumption...great, and it [the denial of bail] must be on the grounds that no condition of release would assure the safety of the community or any person.”** *Id.*

The State of Oklahoma requests that the defendant’s bond be revoked significantly based upon the Defendant’s pattern of criminal behavior, including violent acts toward other people as well as continued use and possession of controlled substances while on bond and against the rules of probation.

WHEREFORE, the State respectfully requests that this Honorable Court grant the State’s request to revoke the Defendant’s bond and the Defendant be held without bond, or in the alternative to increase bond, and that his bond be set in the amount of \$75,000.00. The State makes this request in the interest of the safety of others and the Defendant himself.

Respectfully submitted,

DISTRICT COURT
FILED

MAR 07 2019

MOTION TO REVOKE BOND

COMES NOW, the State of Oklahoma, by and through Assistant District Attorney, Tara K. Jack, and moves this honorable court to revoke the bond in the above-styled case, or in the alternative increase bond. Grounds for this motion are as follows:

- 1) On November 5th, 2018, Mr. Andrew Brame (“the Defendant”) entered a plea of Guilty to the charges of Unlawful Possession of Controlled Drug; Unlawful possession of Drug Paraphernalia; Transporting loaded firearm in motor vehicle; and Failure to carry insurance/security verification form.
- 2) On this November 5th, 2018, Judge April Seibert, Judge of the District Court of Tulsa County, accepted the Defendant’s plea of Guilty and withheld a finding of guilt and DEFERRED SENTENCING for a term of ONE (1) YEAR.
- 3) Subsequently, the Defendant was released from custody and placed under the supervision of the District Attorney’s Office, Probation Division, as subject to certain rules and conditions.
- 4) On or about November 23rd, 2018 in Tulsa County, State of Oklahoma and within the jurisdiction of this court, the Defendant allegedly committed the misdemeanor crime of Assault and Battery on Jennice Atkins (“the Victim”), by unlawfully,

willfully, and wrongfully battering the Victim as alleged in Tulsa Municipal Incident Report # 2018071616.

- 5) On November 28th, 2018, the State of Oklahoma filed an Application to Accelerate alleging that the Defendant has violated the rules and conditions of his deferred sentence in that:
 - a. *Rule #9: I will not violate city, state or federal laws and will notify the Supervising Authority within forty-eight (48) hours of any arrest or contact with law enforcement.*
- 6) On or about November 29th, 2018 the Defendant was arrested on a warrant for an outstanding Application to Accelerate on CM-2018-2892.
- 7) Upon Arrest, when the Defendant was searched incident to arrest a partial smoking device and a baggy of crystal like substance appearing to be Methamphetamines was found in the Defendant's front left pocket.
- 8) The Defendant was taken into custody on new charges involving Possession of Controlled Drug (CM-2018-5761).
- 9) Upon testing by detectives using a 923 Regent Test Kit, the substance was determined to be positively Methamphetamines, weighing 1.6 grams.
- 10) Further, the Judge Owen Evans requested a Drug Test to be administered upon the Defendant on December 28th, 2018 in the matter of FD-2017-744. The test was not able to be performed due to an insufficient amount of finger/toenails and the Defendant was recommended to return in two (2) weeks. (See State's Exhibit "1," attached hereto).
- 11) On January 14th, 2019 the Defendant was to undergo a Drug Test. However, the amount of finger/toenails was again insufficient to provide accurate test results

and Defendant was again asked to return in two (2) weeks. (See State's Exhibit "2," attached hereto).

12) On February 12th, 2019 Weaver Drug Testing Laboratory was able to collect nail sampled from the Defendant. (See State's Exhibit "3," attached hereto).

13) On February 15th, 2019 a report was generated (See State's Exhibit "#3"), attached hereto) regarding the Drug Test ordered by Judge Evans in FD-2017-744, showing POSITIVE test results for the Defendant in the Amphetamines category, including Methamphetamines.

The guidelines for setting amount of bail set forth in *Brill v. Gurich* are as follows:

- a. The seriousness of the crime charged against the defendant, the apparent likelihood of conviction and the extent of the punishment prescribed by the Legislature;
- b. The defendant's criminal record, if any, and previous record on bail, if any;
- c. Defendant's reputation and mental condition;
- d. The length of his residence in the community;
- e. His family ties and relationships;
- f. Defendant's employment status, record of employment and his financial condition;
- g. The identity of responsible members of the community who would vouch for the defendant's reliability;
- h. Any other factors indicating defendant's mode of life, or ties to the community or bearing on the risk of failure to appear. 1998 OK CR 49, ¶

7, 965 P.2d 404, 406.

Article 2, Section 8 of the Oklahoma Constitution provides that **bail may be denied for violent offenses where “proof of guilt [is] evident, or the presumption...great, and it [the denial of bail] must be on the grounds that no condition of release would assure the safety of the community or any person.”** *Id.*

The State of Oklahoma requests that the defendant’s bond be revoked significantly based upon the Defendant’s pattern of criminal behavior, including violent acts toward other people as well as continued use and possession of controlled substances while on bond and against the rules of probation.

WHEREFORE, the State respectfully requests that this Honorable Court grant the State’s request to revoke the Defendant’s bond and the Defendant be held without bond, or in the alternative to increase bond, and that his bond be set in the amount of \$75,000.00. The State makes this request in the interest of the safety of others and the Defendant himself.

Respectfully submitted,
